USA FOOTBALL ANNOUNCES FINAL ROSTERS FOR 2022 U.S. BOYS' 15U & 17U FLAG NATIONAL TEAMS

INDIANAPOLIS – USA Football, a member of the U.S. Olympic & Paralympic Committee and the sport's national governing body, has announced the final rosters for the 2022 U.S. Boys' 15U and 17U Flag National Teams.

Each U.S. Boys' National Team features a 12-player active roster. USA Football assembled the 2022 U.S. Boys' 15U and 17U Flag National Teams through player evaluation and recruitment at USA Football's 2021 Flag Academy and major flag competitions throughout 2021 and the first quarter of 2022.

The 2022 U.S. Boys Flag National Teams will compete under International Federation of American Football (IFAF) rules this June against top international boys' flag national teams at a global friendly hosted by USA Football. The competition's dates and location will be announced in the coming weeks.

IFAF, an International Olympic Committee provisional member, has 71 member countries, a family of nations that has increased more than 75 percent over the past 15 years. The 2021 IFAF Flag World Championships held in Jerusalem, Israel, drew a record number 39 men's and women's flag national teams (combined) from 22 nations in December.
